

ALTERNATIVE FUEL VEHICLE GRANT PROGRAM APPLICATION

Thank you for your interest in the Alternative Fuel Vehicle Grant Program (AFV). It is the goal of this program to increase the availability and use of alternative fuels in Indiana. Due to the limited amount of funds available, submission of an application does not guarantee funding.

Only costs incurred after approval notification are eligible for funding. Project construction can not begin until award notification on September 22, 2006. Costs incurred after approval and prior to execution of the grant agreement (contract) are made at the applicant's risk. Funding is assured only after final execution of the grant agreement.

Before beginning the application, please read the document entitled "Guidelines for the Alternative Fuel Vehicle Grant Program", which includes the guidelines to this program.

Completed Grant Applications should be sent to the following address (e-mail submission is preferred) no later than 5:00PM on Friday, September 1, 2006:
